How the Subscription works:

We now offer two tiers of service. The Elite Pro is highly recommended for the best experience (includes 7-day guide and movie posters).

💎 Elite Pro Subscription (Recommended)

- 🔥 \$49/month — 1 Stream
- 🔥 \$69/month — 2 Streams
- 🔥 \$89/month — 3 Streams
- 🔥 \$109/month — 4 Streams

⚡ Essential Subscription (Standard)

- 🔥 \$39/month — 1 Stream
- 🔥 \$59/month — 2 Streams
- 🔥 \$79/month — 3 Streams
- 🔥 \$99/month — 4 Streams

What is a "Stream or Connection"?

It depends on how many TVs you watch at the same time. For example, with 1 stream, if you move from the living room to the bedroom, the living room will cut off. Most people start with 1 or 2 streams and upgrade later!
